

**862-SU Contingency Plan  
Manufacturing Supplier  
Downloads Ship Schedules  
from H-DSN**

**November 2006**

## Requirements

- The individual responsible for performing this task must have logon access to H-DSN. A User Name and Password is required.
- This plan is **dependent** upon H-DSN and Order Management being functional.
- This plan is to be implemented when the H-D Value Added Network, Sterling Commerce, has received / processed the ship schedules.

# Instructions to Download Ship Schedules from H-DSN

1. Logon to H-DSN, [www.h-dsn.com](http://www.h-dsn.com), and enter your User Name and Password.
2. Mouse over the Menu button to open the first level menu.
3. Select Order Management to open the application.

The screenshot displays the Harley-Davidson Supplier Network interface. At the top, the logo "Harley-Davidson Supplier Network" is visible. A navigation menu is open, listing various options: General Business Information, Supplier Profile Manager, Supplier Performance, Order Management (Supplier), Administration, Harley-Davidson News, What's New Page, Tutorials & User Guides, Registration, and Planning Schedules. The "Order Management (Supplier)" option is highlighted with a white background. An orange arrow points to the "MENU" button, and another orange arrow points to the "Order Management (Supplier)" option. The main content area shows a section titled "Planning Schedule Data Modifications" with text explaining updates to electronic Planning Schedules and daily OE requirements. A "Secure Site" logo is in the bottom right corner, and the page is dated "Updated July 11 2005".
